5 JAGUAR CARE
YEARS SERVICE PLAN

The Freedom by Jaguar finance agreement is designed to get you in the driving seat of the premium vehicle you had previously only ever dreamed of.

Simply choose your Jaguar, agree on a deposit, set your weekly payments (based on your annual mileage) and the length of contract you require – and drive away today.

When setting your annual mileage you also agree to standard wear and tear and we establish a value that the car will be worth at the end of the contract term (the “guaranteed future value”). If you decide to retain the vehicle at the end of the contracted term, you simply pay this agreed value.

Right now, with a \$18,850.00 deposit, 36 monthly payments of \$949.00, and a guaranteed future value of \$36,211.00, you can drive away in your new E-PACE P200 S. Just one of the many options available across the range.

At the end of the 36-month term, you can choose to retain your E-PACE by paying the agreed value, or hand back the keys (subject to any excess charges). If your E-PACE is worth more than the agreed value, you can use this amount as a discount on the latest Jaguar model of your choice.
