A new level of convenience

Enjoy high levels of connectivity equipment, driver assistance features and clever convenience features that redefine in-car travel experiences.

Full digital cluster

The graphics on the digital cluster change with the selected drive mode (NORMAL, ECO, or SPORT). Also housed within the cluster is a range of vehicle information features such as fuel economy statistics and your individual tyre pressures.

Touchscreen multimedia system

The optimally placed infotainment touchscreen gives you easy access to multimedia and connectivity features. This 8" unit also utilises wireless Apple CarPlay & Android Auto functionality.

Wireless charging and twin USB inputs

Enjoy 15W wireless charging power for your compatible smartphone along with twin USB inputs for ultimate convenience regardless of which devices you are using.

Plenty of cargo space and comfort to get the job done

Designed for easy loading and unloading of tools and cargo, the all-new Staria Load offers maximum practicality as well as cargo space for 3 Euro pallets and forklift accessibility with the optional twin barn doors. It provides a cargo length of 2,500 mm and a cargo volume capacity of 4,935 litres (VDA).

4,935 litres of cargo space

Offering 4,935 litres of luggage space, the 2 seater Staria Load gives you maximum hauling capacity – the cargo space dimensions let you carry three Euro pallets.

Forklift accessible

Highly accessible: You can use a forklift to load your cargo quickly and easily through the 870mm-wide sliding door or through the optional twin barn doors. (Barn Doors not included in this offer)

Overhead roof compartment

The Staria Load features a handy roof overhead compartment allowing you to store all of your odds and ends when out on the road.

Best-in-class safety

Forward Collision Avoidance assist (FCA), Lane Following Assist (LFA), Tyre Pressure Monitoring System (TPMS), 7 air bags, Lane Keeping Assist, Haptic steering wheel, Smart Cruise Control
