GUARANTEEING  
THE FUTURE  
VALUE OF YOUR  
NEW JAGUAR

## THE ART OF PERFORMANCE

**USUALLY, WHEN YOU BUY A NEW VEHICLE, YOU CAN'T BE SURE WHAT IT'LL BE WORTH IN YEARS TO COME.**

So along with your new Jaguar's trademark performance, we feel its future value should also be guaranteed. That's why we offer Jaguar Privilege.

With a Jaguar Privilege Finance Agreement, we will guarantee the minimum future value of your Jaguar before you've even gone on your first pulse-quickenning drive. That means you can jet off into the sunset, and return knowing exactly what the vehicle will be worth at the time of your final payment. No hidden surprises. And if you'd prefer to trade it in at the end of the agreement, or upgrade to the latest model, the choice is yours.

### JAGUAR PRIVILEGE - GUARANTEED FUTURE VALUE FINANCE OFFER

Jaguar Privilege provided by Jaguar Financial Services. Jaguar Financial Services provided by Heartland Bank Limited. Lending criteria, fees and charges apply. Heartland Bank uses the Jaguar trademark under licence from Jaguar Land Rover Limited, who is the registered proprietor of the trademark.

## HOW DOES IT WORK?

- Choose your Jaguar model
- We'll agree on a deposit
- Set the agreed annual maximum mileage

All this will help us determine the minimum future value of your Jaguar, which becomes the final deferred payment.

**WHEN YOUR AGREEMENT COMES TO AN END, YOU'LL HAVE THE FLEXIBILITY TO CHOOSE FROM THESE OPTIONS:**

### RENEW

You can trade in your Jaguar for the next model without making the final payment.

### RETURN

You can return your Jaguar without making the final payment.

### RETAIN

You can retain your Jaguar by making the final payment

\*All these options are subject to the vehicle being returned in good condition (fair wear and tear accepted) within the maximum agreed mileage. If you choose to return your Jaguar, you will need to pay a \$350 fee.
